

# Power with Purpose July 2020 Update

July 14, 2020

# Agenda

- Solar and Gas Updates
- Energy Storage Update
- Stakeholder Outreach

# Solar and Gas Updates

- Standardizing a solar contract
- Preparing gas generation major equipment request for proposal
- Conducting site technical assessments
- Refining gas supply strategies

# Energy Storage Update

- Energy Storage Request for Information (RFI)
  - Sent to 32 vendors
  - Responses received July 1
  - 10 responses received covering 4 storage technologies (Lithium Ion Battery, Flow Battery, Hydrogen, Thermal)
  - Team currently reviewing responses
- Nebraska Environmental Trust battery grant
  - Officially awarded to OPPD June 11
  - Cross-functional project team kicked off June 25
  - RFI responses will help shape the scope and RFP development
