

Circuit 410 Power Quality Improvement Project

F. St to W. Centennial Rd between S. 97th St to S. 72nd St
Project Start Date: February 2024

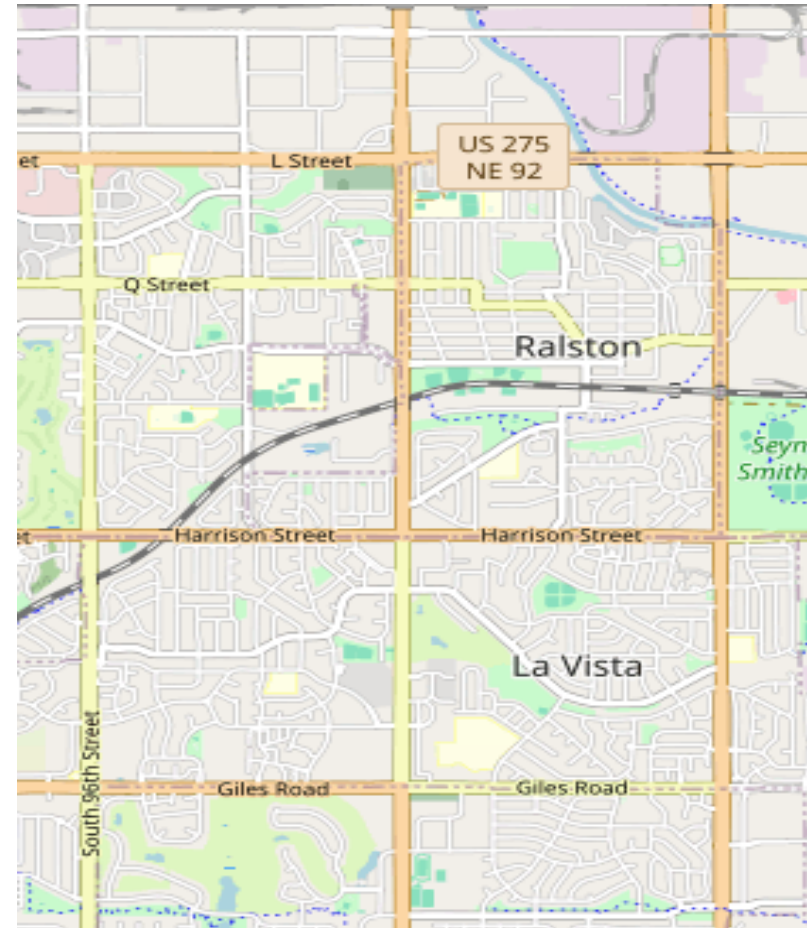

Project Description:

OPPD is committed to delivering affordable and reliable power to our customer owners. Over the next few months, OPPD and our contractors will be surveying the area, trimming trees, and replacing aging infrastructure.

At each stage of our project should our crews need access to your yards they will make every effort to contact you ahead of time! Please make sure to have your contact information updated with us.

Please scroll to the down for specific county details.

Crews and Vehicles may be marked with their company logos.
