RE: CCR Rule Notification-Initiation of Corrective Measures

Omaha Public Power District, North Omaha Power Station, North Omaha Ash Disposal Area,
NDEQ Permit NE0054739, Facility ID IWM 59763

Dear Mr. Macy:

This report serves as the notification of initiation of corrective measures as required by 40 CFR 257.95(g)(5) of the federal CCR rule for the Omaha Public Power District, North Omaha Ash Landfill. This facility officially entered Assessment of Corrective Measures on May 1, 2019, and will follow the protocol in 40 CFR 257.96.

Sincerely

A handwritten signature in blue ink, appearing to read "Mark Hansen", is written over a horizontal line.

Mark Hansen
Environmental Affairs Administrator
