The Board of Directors shall:

- In **coordination** with the President and Chief Executive Officer (CEO), **identify and define the vision and mission of OPPD**, and **establish the strategic directives** OPPD is to achieve, communicating them in the form of policy.
- Monitor and measure the results of the strategic directives.

The CEO shall:

- Lead, in **coordination** with the Board, the **development and implementation of OPPD's vision, mission, and strategy**.
- Manage all operations and business affairs of OPPD, with a primary focus on leadership of the OPPD senior management team to implement OPPD strategic directives.
- Through the annual strategic planning process, the CEO shall propose a performance scorecard and key accountabilities for the following year that represent his or her reasonable interpretation of achieving the strategic directives defined by the Board.
