RE: CCR Rule Notification-Initiation of Corrective Measures
Omaha Public Power District, Nebraska City Power Station, NC2 Ash Disposal Area,
NDEQ Permit NE00545343, Permit Number NE00054712.

Dear Mr. Macy:

This report serves as the notification of initiation of corrective measures as required by 40 CFR 257.95(g) (5) of the federal CCR rule for the Omaha Public Power District, NC2 Ash Landfill. This facility officially entered Assessment of Corrective Measures and will follow the protocol in 40 CFR 257.96.

Sincerely

Mark Hansen
Environmental Affairs Administrator
