- Renewable energy contributed 17.4% of OPPD’s retail energy sales
- Wind capacity factor is 27.9%

**Year-to-Date**
- Renewable energy contributed 28.0% of OPPD’s retail energy sales
- Wind capacity factor is 41.5%
Community – Swigart Golf Event

A huge thank-you to everyone who participated in the 30th anniversary Swigart Golf Invitational Tournament on Aug. 16, and to all the volunteers who helped make it happen.

With a record number of golfers, 305, preliminary results show OPPD raised just over $29,000, also a record. These dollars benefit the Energy Assistance Program.
Community – Engineering Day

• OPPD’s Society of Engineers (OSE) participated in the Omaha Engineering Day coordinated by the Greater Omaha Chamber on August 18.

• 600 Freshman engineering students at the University of Nebraska were engaged by 20 companies, including OPPD.

• Several students were given a tour around North Omaha generating station.

• OSE members talked to several hundred students in the afternoon about engineering at OPPD and engineering in general.
Community – Cycling Challenge
More than 50 employees got a first-hand look at the services United Way’s nonprofit organizations provide.

They performed a wide variety of activities for the following agencies:

- Food Bank for the Heartland
- Good360
- Crossroads of Western Iowa, LINKS Adult Dayhab
- Cross Training Center
- Women’s Center for Advancement
Community – Fallen Heroes

The Nebraska chapter of Honor & Remember, with the support of OPPD Veterans Network, organized a marathon walk Sunday, Sept. 10, as a tribute to the 1.3 million service members and first responders who have died in the line of service since America’s founding.

The event was free and followed by a 9-11 ceremony at Omaha’s Heartland of America Park.
Community – Mutual Aid Efforts

A long road to recovery
OPPD crews left their respective service centers early Sept. 12 and Sept. 13, met in Rock Port, Mo., and caravanned to Florida, where they will help with the massive power restoration effort following Hurricane Irma.

Employees – Award of Excellence

• The Award of Excellence began in 1987 to honor the memory of former employee Bill Turner, and is presented to an employee who emulates those same qualities.

• Monroe started with OPPD as an accounting clerk in 1982. She was named supervisor of Payroll in 1984 and has held several management positions in finance-related areas.

• She served as division manager of Business Planning & Analysis (later Business Analysis & Pricing) from May 2011 until January 2017, when she was named to her current position, senior director of Business Analysis & Pricing.
Employees - Toastmasters

• Videgla Sekpe has been named “Toastmaster of the Year” by the OPPD chapter of the international organization focused on communication and leadership development.

• Sekpe, pictured here with his award, currently serves as the Energy Delivery Center of Excellence Manager. He was recognized by his peers in the group as an individual “dedicated and distinguished in their service.”
