Mission:

OPPDD’s mission is to provide affordable, reliable and environmentally sensitive energy services to our customer-owners.

Vision:

OPPDD’s vision is “Leading the Way We Power the Future.”

In implementing this vision, OPPD shall adhere to these principles:

- Strengthen the public power advantage of affordable and reliable electricity;
- Exemplify fiscal, social and environmental responsibility to optimize value to our customer-owners;
- Proactively engage and communicate with our stakeholders;
- Act transparently and with accountability for the best interest of our customer-owners;
- Collaborate, when appropriate, with partners; and,
- Leverage OPPD’s leadership to achieve these ~~goals~~[principles](#).

Core Values:

- [We have a PASSION to serve.](#)
- [We HONOR our community.](#)
- [We CARE about each other.](#)
