

## ACTIVATE AND CONNECT YOUR CHARGER

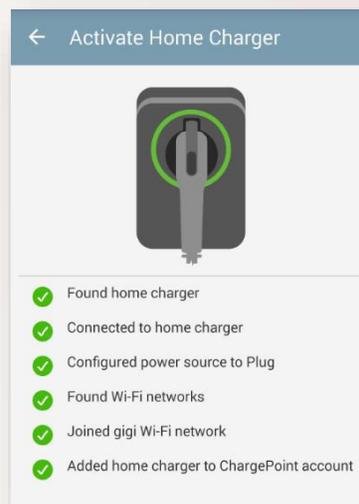

### Activate charger using the ChargePoint mobile app

1. **Download** the ChargePoint mobile app

2. **Create** a ChargePoint account or Log In to an existing account
3. **Activate** your home charger by following the steps as prompted

Once your charger has been activated, you are ready to connect to the Utility Home Charging Program.

### Connect the charger to the Utility Home charging program

4. Open the **ChargePoint mobile app**, follow these steps:
  - Select **Account**
  - Select **Connections**
  - Select **Browse Connections**
  - Under **Service Providers**, find **OPPD**
  - Select **OPPD utility** and enter the requested information
  - Select and agree to the **Terms and Conditions**
  - Click **Submit** to finish your request
5. Your enrollment is now **"Pending"**. Once approved by OPPD, an approved email will be sent and the status will change from "Pending" to "Active".
6. Once your charger is **"Active"**, the associated Home station is now linked to the Utility program.
