Pandemic Considerations

OPPD is well-positioned financially for the COVID-19 pandemic.
• Cash on hand is sufficient to operate for more than six months
• Requested increase in bank line of credit offers additional financial flexibility
• Total debt is decreasing and is manageable
• AA rating allows lower cost access to credit markets
• The effective rate restructure implemented in 2016 and finalized in 2019 has provided OPPD and its customer owners a significant source of stability, that is valued by the credit rating agencies and investors

*OPPD’s strong financial position has allowed it to access credit markets during the current market downturn while lower rated entities have had limited access*
Recommendation

• The Finance Committee has reviewed and accepted this Monitoring Report for SD-3 and recommends that the Board find OPPD to be sufficiently in compliance with Board Policy SD-3.
