# Local Update

# Local Update

- Continuing introductions of Javier to various public officials across the service territory through June.
- Everbridge for public officials
  - Goal of Everbridge for public officials is to enhance ongoing communications with public officials across OPPD's 13-county service territory by providing updates for extended outage and restoration events.
  - Public officials from various jurisdictions requested the enhanced communication after the recent storms.
  - March 3 and 4 provided six Webex presentations to various public officials.
  - Currently have village, county and city clerks and mayors receiving updates.
  - Continuing to add public officials who are interested in receiving the updates.

# Federal Legislative Update

# Federal Update

- Senate Budget reconciliation package.
  - House passed the Build Back Better bill (reconciliation package) on November 19<sup>th</sup>, but failed in the Senate and has been put off to address other priorities.
  - Senate plans to renegotiate a smaller package with a tentative deadline no later than Memorial Day .
  - Related to this are the energy tax provisions, the wind PTC has expired and will likely be address later this year in an extenders package or if the reconciliation package is revived.
- OPPD tracking potential funding opportunities available to public power utilities from the Infrastructure Investment and Jobs Act.
  - Funds have not been allocated yet because of the ongoing Continuing Resolutions Congress keeps passing. A broader agreement is needed to allocate these funds.
- 11,554 bills introduced in the 117<sup>th</sup> Congress as of April 14<sup>th</sup>.
