

What's in your outage basket?

PROTECT YOUR FEET

A pair of shoes or boots for each member of the family will protect their feet from debris or cold if they need to go outside after a storm.

PORTABLE INFORMATION

A battery-powered radio will keep you up-to-date on the weather forecast. Also include extra batteries and a couple flashlights.

FOOD & WATER

Have a three-day supply of non-perishable food, such as granola bars or jerky. Also, have one gallon of purified water per person, per day.

PERSONAL CARE ITEMS

Include soap, toothbrushes, toothpaste and other personal hygiene items. A must for inclusion is a standard first aid kit, in case there are injuries.

CASH ON HAND

Place some cash in the basket in case you need to make a purchase and credit card and ATM machines are not accessible in your location.

MEDICATION

Toss in a seven-day supply of any prescriptions or medical supplies you may need should you be unable to visit a drugstore during or after a storm.

CREATURE COMFORTS

Don't forget the furry members of the household. Grab a leash, pet treats and some food for your pet.

GAMES & ACTIVITIES

Keep kids occupied by including board games, card games, coloring books and other activities in your basket.

PAPERS & INFORMATION

Place important paperwork (insurance, house deed, etc.) in a binder, along with an address book. If you have one, include a corded phone. They will work if cellphone service is overwhelmed.

ONLINE:

Visit oppd.com/outages to report an outage and read more information about how your power is restored.

JUNE BOARD MEETINGS

All-committee meeting: Tuesday, June 14 (see oppd.com/BoardMeeting for details). **Regular board meeting:** Thursday, June 16, 5 p.m. (see oppd.com/BoardMeeting for details). OUR MISSION

Provide affordable, reliable and environmentally sensitive energy services to our customers.

Your Energy Partner[®]
OPPD
 Omaha Public Power District

GREENER TOGETHER Program

Greener Together connects customers with community environmental initiatives

OPPD's new Greener Together Program enables our customer-owners to support projects that help build greener communities in our service area. The program officially launched on Earth Day, April 23.

For as little as \$4.50 a month, Greener Together members can support renewable energy and environmental sustainability through projects such as bike paths, composting, tree-planting and public park solar projects, for example.

OPPD plans to fund two projects for 2023, and we are now accepting applications (details at right).

Every project funded through the program will focus on making a positive, long-term impact on the sustainability of our communities for generations to come.

Choose from three membership levels

You can choose from three Greener Together membership levels to determine your level of involvement. All levels include access to the Greener Together Community dashboard, where members will find project details, as well as suggest and vote on potential projects.

Through the dashboard, Greener Together will give members real-time updates on projects to provide transparency on what their contributions are helping to accomplish.

To learn more or to become a member of Greener Together, visit oppd.com/GTP.

Nonprofits can apply for project funding

Nonprofit entities, nonprofit educational institutions, cultural enrichment groups and health & human service organizations can submit projects to be considered for Greener Together funding.

OPPD is currently accepting applications through August 2022 for 2023 funding.

Representatives of nonprofit groups can submit their project idea by using the application form at oppd.com/GTP.
