* Other expense was under budget YTD by $9.5 million, or 9.5%, primarily due to lower depreciation expense from new depreciation rates in 2023.
* Net income of $29.5 million YTD was over budget by $25.8 million, primarily due to higher investment income from positive fair market value adjustments and the operating results addressed above.
* Capital expenditures were under budget YTD by 37.1%, or $55.2 million, due to delayed spending primarily on Power with Purpose projects.
