

REC SpotBuy Terms and Conditions

By agreeing to purchase Renewable Energy Certificates (RECs) under this Program, Participants agree to the qualifications, terms, and conditions of the Program, as they may be changed from time to time by the Omaha Public Power District (OPPD).

Program Details

The REC Program allows qualified OPPD customers to voluntarily support renewable energy and offset their carbon emissions by purchasing RECs supplied by OPPD. This Program allows qualified OPPD customers to purchase RECs which can be transferred to them or retired by OPPD on their behalf. The REC characteristics and purchase details of each transaction must be specified in the attached Appendix A "Confirmation Letter". Participants may conduct multiple transactions each year.

Program Qualifications

Participants must be customers with OPPD account(s) in good standing and taking service under a commercial rate (Rate Schedule Numbers 230, 231, 231M, 232, 245, 250, 261M or 357).

Program Terms and Conditions

1. Participants are billed once per transaction.
2. Full completion and execution of this Terms and Conditions form (including Appendix A – Confirmation Letter below) is required for each transaction.
3. Pricing for each transaction will be determined and documented within each Confirmation Letter.
4. If OPPD retires RECs in a transaction, the Participant will receive a retirement certificate detailing the transaction.
5. Participation in this Program does not constitute or represent ownership of any renewable resources.
6. OPPD reserves the right to cancel this Program at any time for any reason such as but not limited to the following:
 - a. Introduction of regulatory or legislative policies/requirements
 - b. Administrative or other error
 - c. Low REC volume or production
