- Evaluate the cost effectiveness and kWh savings
- Customer interviews & quarterly follow-up surveys

Customer Comments:

“Easy to take the pictures. Very informative report which even alerted me to the oppd rebate program!”

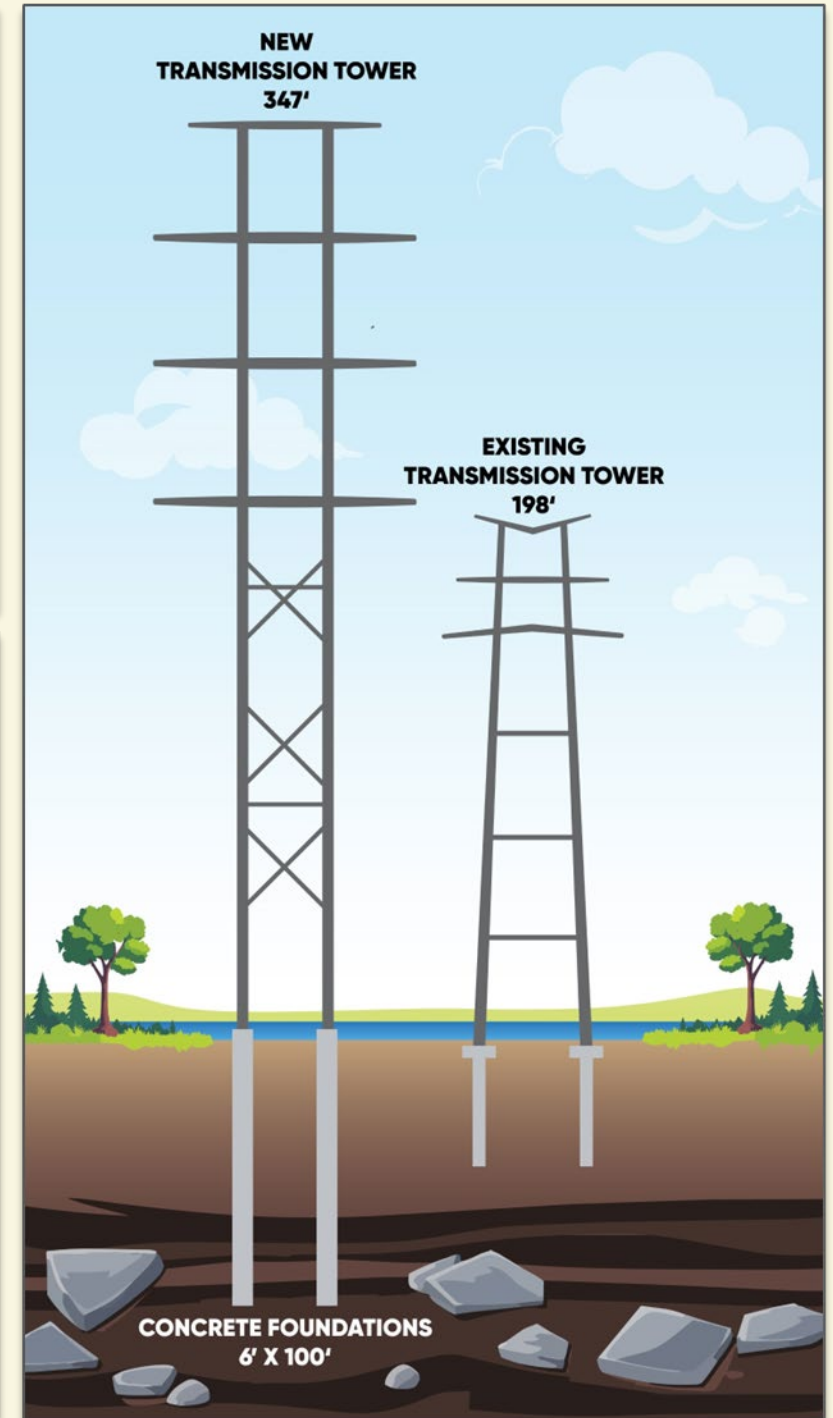

“Helped me to better understand where energy is being lost. It went beyond what I would normally consider which was great information to obtain.”

“I liked the infrared method hooked to the phone. Once I got the hang of using it, the process went a lot faster.”

“Great product. Confirmed what I thought I needed to improve. Thank you. I am in a wheelchair and it was still easy for me to do.”

**RELIABILITY
INVESTMENTS**
